Hi Brian - I'm working from home today (b) (6)) and wanted to alert you to this (about the Navy vessel in the Puget Sound). Please let me know if you want any additional info, or have any questions. Thanks, Juhi

All, see attached. The Washington Environmental Council gave me a courtesy call on this about an hour ago.

I have forwarded to our EPA leadership team and PAD in the region but wanted you all to have this as well.

Thank you,
Peter
